Black and Hispanic voters more likely to report experiencing problems at the polls — that VAH solves.
(percent reporting they or someone in their household experienced the following the last time they tried to vote)

- Couldn't get off work to vote when polls were open
  - VAH solves
- Was unable to find the correct polling place
  - VAH solves
- Was told their name was not on the list even though they are registered
  - VAH solves
- Missed the registration deadline
- Was told they did not have correct identification
  - VAH solves
- Was harassed or bothered while trying to vote
  - VAH solves
